

Moldova

1 Pray for our regional leadership teams as they carry out a vision for training in church multiplication at the local level. Pray for one or two Romanian speaking leaders with a passion for church multiplication to join our national leadership team.

2 Moldova has functioned without a formal government since the riots of April 2009. There is no clear majority in Parliament to elect a new President. Pray for the nation.

3 Many Moldovan churches are steeped in deep cultural traditions. Pray for the power of the Gospel to break down walls and renew churches in the truth of God's Word.

4 Pray that evangelical churches in Moldova grow in their understanding and implementation of biblical discipleship. Pray that biblical truth will hold greater weight than cultural traditions.

5 Pray for a stronger sense of unity among churches. In the villages of Gura Bicului & Chadir-Lunga, churches struggling with mistrust and disunity are affecting the work of the Gospel.

6 Pray for family health, financial stability, and effectiveness in ministry for our key national leaders: Stas Boroznets & Sasha Belov. Pray for physical health and spiritual protection for the Owens and Sanders families.

7 Pray for team unity, continued language development, and for our children to develop meaningful relationships with Moldovan children.

Peru

8 Pray for Jim and Pat Riddell as they shepherd the church in Maranga and encourage, train and motivate their Peruvian brethren to evangelize and multiply the church.

9 Pray for young believers attending Bible classes at the church on Sunday mornings. Pray for spiritual growth. Many show keen interest in studying and memorizing the Word.

10 Thank God for the Maranga Ladies ministry. Several new ladies from the community have joined. The group prays and studies the Bible together, and raises funds for much needed equipment for church ministries.

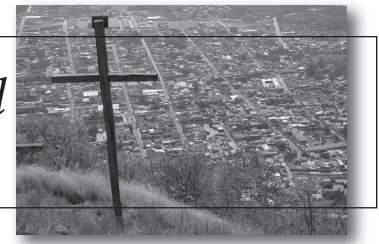

11 Pray for formation of a new team to serve among the largely unreached population of Chinese Peruvians in Lima.

12 Pray for the Lima Evangelical Seminary as they continue to train and release leaders for the Peruvian church. Pray especially for Academic Director Cesar Morales as he works on a doctorate in modular format from Biola University.

13 Pray for Paul and Liz Ghent and the challenges they face each day in the Amazon region along the Napo River.

14 Pray for Pastor Javier Vasquez as he leads the church in Morales and gives leadership to AIENOP association of churches. Pray for God's clear direction as they look at future leadership candidates.

Persecuted Believers

15 Pray for peace in Kyrgyzstan. Many were killed during the rioting in June. Thousands were left injured or homeless. Pray for reconciliation, healing and for a stable government. Pray for workers who have been uprooted from their ministries and are seeking God's direction.

16 Pray for believers coming from Muslim backgrounds. Many are ostracized from their families and communities. Pray for their spiritual protection, for integration into new communities of believers, and for their witness to other Muslims.

17 Pray for those who are imprisoned for their faith, for their steadfastness in the Gospel of truth and for opportunity to share their faith with other prisoners.

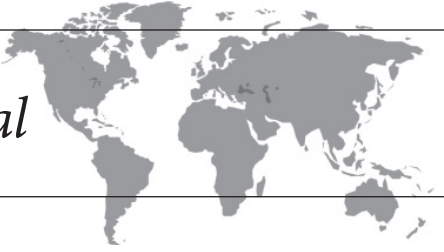

18 Pray for missionaries and churches that have opportunity to love and serve those who suffer for Christ. Pray for sensitivity and creativity to respond in meaningful ways.

19 Pray for those who actively persecute Christians. Pray against the enemy's work in their life and for an encounter with God's grace and mercy that would change their lives.

20 Pray for church leaders who face opposition from local officials and cannot secure regular meeting places for their congregations.

21 Pray for those who face pressure from governments and have limited access to the Word of God or fellowship with others. Pray Ephesians 6:10-18, asking the Lord to outfit them with the full Armor of God.

Global

21 September 20-23: World Team Area Directors and Mission leaders from Australia, Canada and the United States will meet to discuss ministry highlights, needs, and future church planting strategies.

22 The Mission continues to explore creative and meaningful avenues for mobilization of new workers. Pray for God's blessing on the work of our hands.

23 World Team USA is hosting a prayer meeting tonight for the Lausanne Global Congress on World Evangelism to be held in South Africa in October. The spirit of the Lausanne Covenant is to promote unity, humble humbleness in service, and a call to action for global evangelization.

24 Pray for Brian Billing and Bill Allan as they lead WT Australia and WT Canada respectively.

25 We have asked you to pray many times. Now we invite you to give thanks to God for the appointment of Kevin Oessenich as World Team's new U.S. Sending Country Director. We are glad to welcome Kevin and Cheryl Oessenich into the World Team family. Kevin will assume his new role this month.

26 Pray for wisdom regarding the formation of the Global Team in France. Ask God to superintend over all the logistics and meet the needs of each team member.

27 God was at work in and through WT's summer interns. Pray as they continue to process what God has shown them through their cross-cultural service. Pray that some would consider joining WT for long-term ministry.

28 Pray on behalf of missionary appointees who are raising support and making preparations to relocate and begin new ministry assignments.

29 Many missionaries are raising funds for projects related to their ministries. Pray that each one would grow in faith as they wait upon the Lord's provision for their needs.

30 Praise the Lord for the recent commitments from several North American churches to send church-based teams to serve with World Team. Pray even now for God to be preparing a way for each team and softening the hearts of those they will reach out to with the Gospel of Christ!
