FRANCE @ WORLDTEAM.ORG

# Come, See, Pray, Understand and Make a Difference.

## Does prayer really make a difference in missions?

Is a mission trip that centers on prayer really worth the time, money and effort? Is prayer truly an important part of church planting? Can I really be a part of God's plan to redeem the people of France if all I do is come and pray for them? The answer to all of these questions is an emphatic **YES!**

## We need your prayers, there's no way around it.

And for that reason we have created an opportunity for you to come to France so that you can see the work with your own eyes, hear from missionary and national believers about the spiritual needs, gain a better understanding of the obstacles that we face and make a significant difference in planting churches in France.

Will you partner with us for one week next April in a concentrated prayer effort for the country of France and for each of our church planting ministries? **We need your help!**

## Who Can Participate?

Adults who would like to partner with God to accomplish his purposes in France, through the ministry of prayer and worship. There will be a lot of walking (*and Stairs*) so be prepared!
